

Being Rooted & Established in Love

It would take volumes to describe our Lord Jesus Christ and the magnificence with which he lived his life. But of all his amazing traits and sterling characteristics, “the greatest of these is love.” Just like his heavenly Father, Jesus loved purely, relentlessly, and unconditionally from the heart. As our example, he promised that each of us can love like he does.

As we persevere in our quest of becoming like Christ, let us endeavor to follow his perfect example of loving his Father and his fellow man. This year’s Fall Fellowship will give us an opportunity to come together and love one another.

Please join us for this weekend in the mountains as together we will pray, worship, fellowship, grow, and learn how to become more like Christ by being rooted and established in love.

so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love,
